

PARISH OFFICE

All Saints now has its very own Parish Office, in the grounds of Witley Infant School, opposite the Church.

through the window.

As the Office is in the school grounds, if you wish to visit during the school day, then please ring the bell at the gate and Penny will come and meet you to maintain the school's security arrangements.

The building is to the left of the school as you face it and there is a small gate by the wall with the bell and office details beside it.

People who have been in Witley since childhood may remember the building as a toilet block, which is why its affectionately known as 'Flushing Meadows'. The transformation is remarkable as the building is now a light and airy office with Wi-Fi, broadband and all other office essentials.

Jane and Ann are pictured here with Penny Osborn our Parish Administrator. The church can be clearly seen
