

ASW News – 1st July 2018

CHILD OF HOPE SCHOOL: during the visit of Bex and Moses last week they told us that they always need things for the children which can be carried in a suitcase by anyone who visits. Clare and David Burrows are going to Uganda at the end of July and will be visiting Child of Hope School, so please will you donate any of the following in the next two weeks; new children's knickers, pants and socks, pencils, old laptops and phones. There will be a box at the back of church to collect these items, money is also welcome which will be used to buy some of these items. Bex and Moses told us that in Mbale these small items are very expensive and poor quality, so our chain store versions are more durable and much cheaper.

WITLEY FAIR: thank you again to all who helped raise £3,259.89, and still counting, at Witley Fair. After 6 years of experience and looking ahead, hoping to break the record again next year – how can we improve? Any thoughts you may have, while the Fair is still a recent memory, please let James, Ann or Christine know or email them to the office and they will be considered when planning begins next year.

SURREY HILLS CHAMBER CHOIR performs its "Summertime" concert in St Nicolas Church Guildford this evening at 7.45 pm. Christine Parrott is a member of this award winning choir and tickets are available on the door. We hope-many of you will be able to join her.

COMPLIMENT! If you made a malted chocolate cake tied with a yellow ribbon for the Fair, please speak to Christine Parrott.
