We are delighted that our own Marlene Verwey, award winning, international flautist, has kindly agreed to appear again with musical friends including a violinist and cellist with a programme to include music by Beethoven and Mozart flute quartet. This will be Marlene's third concert at All Saints with friends and fellow musicians. They have all been a real musical treat with a varied programme which includes something to appeal to everyone. They are definitely not to be missed, as those who have been before will attest, so please save the date and tell friends and family. Tickets and more information will be available soon.

OPEN THE BOOK: This simple way of telling bible stories to children is well established at Witley school and for the past year it has become very popular at Chandler School, the children voted it the best assembly they attend. We need more participants for the Chandler sessions. Open the Book happens twice a term at Chandler, we meet at 8.30am to read through the script and generally prepare, including some simple costumes. The assembly starts at 9am and we are away by 9.30am. if you are interested, please let Ann or Elizabeth Gibbs know, and we will tell you more about it. You are welcome to come and see what happens before agreeing to take part! All participants will need to be DBS checked, which can easily be arranged.
