Good News from Child of Hope:

Things are improving for the school. Those who were ill have recovered thankfully. Generous donations have provided 500 mosquito nets ensuring every child in the nursery and junior school sleeps safely with a reduced risk from malaria. Medical supplies have been restocked with more effective malaria drugs for better treatment. Donations have also helped 250 children to be provided with shoes. Many thanks to everyone.

Godalming Foodbank:

In the run up to Christmas, priority items are, mince pies, small cakes, fancy biscuits, breadsticks, crackers (to pull and to eat), stuffing and batter mix, sweets, chocolates, kitchen foil, tinned ham carrots and peas, and treats for pets.
